**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use sonic.net, a local ISP who I trust and who provides good service. Broadband is critical for my children's education and my wife's and my work. I currently have ADSL and voice from sonic.net, and hope to get their broadband when it is available. I will not give money to comcast, which provides notoriously terrible service. I do not want to see price hikes because of anti-competitive behavior.

Morgan
